

# New Donaldson RACOR parts Replacement

## DONALDSON RACOR REPLACEMENT

### Donaldson New Synteq Media Technology

#### MeltBlown

MeltBlown

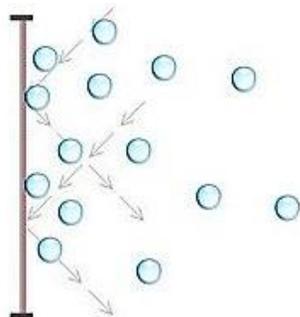

Donaldson has a filter media technology specially formulated for high performance water separation. Filters with Synteq Media Technology give your engine fuel pumps and injectors a higher level of protection.

Why **Donaldson Synteq Media Technology** is better than silicon treated cellulose filter media?

# 95%

Water Removal Efficiency

# 3x

Greater Holding Capacity

# New Donaldson RACOR parts replacement

## P550747 Fuel Water Separator

RACOR OE PART NO.	APPLICATION MODEL	OLD DONALDSON PART NO.	NEW DONALDSON (SYNTEQ MEDIA) PART NO.	LIST PRICE (USD)
R90S	Hino Truck – 145, 165 Series	-	P551854	\$21.52
